WORK EXPERIENCE

Approve Me LLC

2023-2025

Front-End Developer | UX

Redesigned WordPress plugins and themes using HTML, PHP, and optimized CSS for improved performance and user experience. Also provided customer support by handling client emails and resolving technical inquiries.

Biodegradable Golf Balls Inc

2022-2023

All Around designer

Created website designs, product mockups, and Amazon A+ Content to enhance brand visibility. Create email templates using mailchimp, conducted A/B testing to improve conversions, and delivered creative assets that support the Brand.

Kapital Dao

2021 - 2022

Freelance Graphic designer

As a Freelance Graphic Designer, my responsibilities included working closely with clients to understand their design needs and create visually appealing designs that effectively communicate their message. I was responsible for creating a wide range of design materials such as logos, posters, social media graphics, and Info graphics.
